New Curler Instruction and Orientation

Saturday, October 19, 2019
1:00 p.m. – 6:00 p.m.
Registration begins at 12:00 p.m.

Welcome to the Wausau Curling Club! We can trace curling in Wausau back to the late 1800's, so you are embarking on an experience that goes back generations—the amazing experience of curling.

We have set aside Saturday, October 19 as a day you will be taught how to curl and about the importance of what it means to be "a curler."

We will also have information available regarding the following (in no particular order):

- Equipment for sale (as a beginner, equipment is provided but some may wish to purchase their own)
- Name tags, lockers, liquor locker, and beverage availability
- Dues
- Meet the President and other club leaders
- History and significance of our club and curling center
- Food, refreshments, and touring the Curling Center
- What is "broomstacking"?
- Finishing paperwork
- Social and curling events to put on your calendar
- How to stay informed about the club
- Information about volunteering
- Signing up for sub/spare curler lists (the more you curl the more you know)
- Learn to Curl!
- Play your FIRST GAME!

Bring a **separate pair of clean, softer rubber-soled athletic shoes** for the ice and **dress in layers**, with the pants being athletic or flexible. Jacket/gloves/hats are okay but will probably not be needed once you are warmed up. Don't forget your camera for the memories!

REGISTER! – Call OR e-mail Tara Schessler: 715-573-4665, tschessler@waow.com.
